Try it Days-- Special Olympics Nanaimo and School District 68 has partnered to present high school special needs students a taste of the sports offered. The first day we showed them bocce, basketball and Club Fit. There will be additional sports offered on April 8, May 13 and June 10. From all reports everyone had a lot of fun and look forward to the next session. We saw all the Special Olympics athletes who go to school and they were able to excel at the sports. Hopefully we will pick up new athletes and volunteers from this event.

NANAIMO SPECIAL OLYMPICS HOSTING TRACK MEET

We have committed our club to host this event. It is a prelude to next year's Regional qualifier. We will need every volunteer, we have 90, to come out and assist, giving us a little bit of your time. We will be phoning everyone and giving a choice of small jobs to be done.

Please consider this as an important event and your help will be much appreciated.
